“Magna Charta 1225”
Lecture by Lewis L. Neilson, Jr., Esquire

The views of the 1225 Magna Charta will be presented by Lewis L. Neilson Jr.

We also encourage our members and non-members to send us their written ideas and visions of the legacy of the 800th. both from 2015 and forward to 2025, as well as for the 250th Anniversary of the Declaration of Independence. If there are exceptionally creative ideas or exceptionally prominent advocates for the celebrations of either 2025 or the 250th (with creative ideas), we plan to invite their presentation. Thanks to videotaping and the internet, the audience extends worldwide and into the future.

We are continuing our Society’s Current Theme: **Building Our Magna Charta Legacy**. Since the Society was instituted in 1909, we have been preserving programs of our Society, video of past lectures, presentations, meeting and conferences. We are improving our video presentation and recoding as new platforms emerge to enhance accessibility.
